Dear Mr Ahmed Gamal Kotb Elmahy,

It was a pleasure to have met you in our Interview Center in Leverkusen. **Your project has convinced the jury!**

We are delighted to inform you that the jury decided to award to you a Bayer foundation scholarship of **8.200 €** for the funding of your study project according to your desired funding period.

Please find enclosed the funding agreement. Please read it carefully, complete your bank details in the agreement and return to us a signed copy by postal mail until **September 30, 2017**. By no response until then we will consider your interest in this fellowship as obsolete and give your place to a move up-candidate.
